Creative Associates International works with underserved communities by sharing expertise and experience in education, workforce development, youth, governance and transitions from conflict to peace. With a 40-plus-year track record in more than 85 countries, Creative has a diverse, dynamic and highly trained staff in Washington, D.C., and more than 25 field offices.

Creative’s mission is to support people around the world to realize the positive change they seek. The company envisions stable neighborhoods, communities and regions that can develop effective institutions to provide for their people, enabling them to overcome hardship and live peaceful and fulfilling lives.
